This is to certify that the cargo covered in the subject shipment does not have the tolerances in accordance with ABEC7 or ABEC9/ISO 492 standard Class 2 or 4, which means the cargo is exempted from Cap. 60G Import & Export (Strategic Commodities) Regulations of the Hong Kong SAR Government and Import Licence is then not required.

We declare to be fully responsible and liable for any misdeclaration and we undertake to fully indemnify you harmless from and against all claims, damages, losses, liabilities, demands, suits, judgements, causes of action, civil and criminal legal proceedings, penalties, fines and other sanctions, and any attorney fees and other reasonable costs and expenses, and consequences arising in any manner out of the declaration.
